

“Shadows and Substance”

Col 2:16–23

Introduction

Living in the shadows

Let know no-one judge you

food and drink

festival, new moon or Sabbath

Application

Let no-one condemn you ...

with humility they want you to worship angels

(this is how they get you to do it)

(but this is the problem ... you are not holding fast to the head)

Application

Why do you submit to the world?

Its mindset and rules

(the world appears to have something wise to say but it is self-made religion with its false humility and harsh treatment of the body)

(such religion fails to restrain the flesh)

Application

From shadows to substance

Reality is found in Christ

You died with Christ
