

“Our Daily Bread”

Matt 6:11

Intro: The comfort of knowing our physical needs will be met

1. What are we asking for in this petition?

2. The petition is based on two scriptural premises:

Man is sinful and deserves nothing

God is merciful and provides everything

3. Looking to God daily nurtures our faith

Faith doesn't nullify work

God is sovereign

Man is not self-sufficient

Seeking our daily bread brings us to God daily

4. Jesus, the Grace for every need
