

Unexpected Expectations John 12:20-28

Introduction

Ken Sande's peacemaking principles:

Glorify God (1 Cor. 10:31). The key question is, "How can I please and honour God in this conflict situation?" We'll come back to this principle in a moment.

Get the log out of your own eye (Matt 7:5). The key question is, "How can I show Jesus' work in me by taking responsibility for my contribution to this conflict?"

Gently restore (Gal 6:1). The key question is, "How can I lovingly serve others by helping them take responsibility for their contribution to this conflict?"

Go and be reconciled (Matt 5:23-24). The key question is, "How can I demonstrate the forgiveness of God and encourage a reasonable solution to this conflict?"

Glorify God

Made to glorify God (1 Cor. 10:31)
